This Supplemental Information Disclosure Statement is not intended to substitute for the Examiner's own search. It is believed, however, that this Supplemental Information Disclosure Statement will assist the Examiner in the search. The Examiner is expressly requested to review the item cited herein and to make the cited item of record in this case as having been considered. The completed Form PTO-1449 is attached for this purpose.

Citation of the item herein is not to be construed as an admission that the information is within the scope and content of the prior art relevant to the present invention, that the information is prior in time to a particular date which may be relevant to the present patent application, that the information is otherwise prior art with respect to the present invention, or that the information cited is material to the claims. In addition, applicants reserve the right to later set forth how the present invention is distinguished over the disclosure of any document or other prior art, including the information cited herein.

Respectfully submitted,

Lois Ruszala, Reg. No. 39,074
